By Archangel Metatron

Archangel Metatron (the Scribe of God) "The Garment of Shaddai". The visible manifestation of the Deity as "Garment" of the Father. Almighty, Eternal Lord and 'Divine Voice' of the Father. Creator of the outer worlds, teacher and guide.

This essence was blissfully produced using the full sun method in a clear quartz singing bowl harmonically tuned to the crown chakra 'B' using purified activated healing water and essential oils.

This Archangel Metatron essence allows access to higher knowledge, through the sacred wisdom of the heart. Activates etheric chakras above the crown. Initiates states of mystic rapture, Divine joy, bliss (*Soma*). Initiation, of the sacred Divine Marriage.

Affirmation: *"With every breath, I now consciously choose to release all karmic patterns of resistance associated with my receiving the natural flow of abundance from Source"*.

Gently mist the crown chakra and aura before meditation or therapy session.
